Principal's Report

There has been lots of fantastic work going on in the school with plenty of learning being on display at assembly and in the newsletter. A fortnight ago at assembly students and staff sang the National Anthem in Aboriginal to celebrate reconciliation week. And last week we had a group of students use signing during the National Anthem.

It has also been terrific to read some of the great stories being produced by the 5/6/7 students in the last few weeks newsletters, I hope you have enjoyed reading them too.

Thank you to all of the parents who continue to come into the school to meet with me about various issues and offer encouragement and support to the children, it is highly important, valued and rewarding for all involved and it helps to keep improving what we are doing at Pinnaroo Primary School.

Open Day/ Bush Dance and Band

Next Friday 26th June the Pinnaroo Primary School will be having an open day.

This is a fantastic opportunity for the students to share all the great learning activities occurring in our school with all of the families involved in the school and community.

At recess and lunch all visitors will be able to enjoy some of the treats that the students have been producing in the kitchen at school, using some of the pickings from the school garden.

There will be a bush dancing showcase performed by the students between recess and lunch. And starting at about 1.00pm there will be a performance by "Me N' Me Mates" a Trio from Adelaide. Please spread the word to your families and the community to come along and join us on the day!

SAPSASA News

A few weeks ago Emmerson Thiel, Bailey Vogt and Tilly Nickolls went to Adelaide to compete for the Murray and Mallee in the State Netball Championships. The three girls had an enjoyable week performing well and meeting other students. Tilly Nickolls also managed to be selected in the initial State Netball squad, a fantastic achievement, Well Done.

Thanks must once again go to the parents of these students for the efforts in getting these girls to Adelaide and supporting them during the carnival.

Sporting Schools

A reminder if you or your club can assist the school with coaching and access to facilities we need you to complete a coaching course. You will also need to have had a police check. One way of achieving this is to follow the link below and complete the online coaching course.

Library Update

Reconciliation Week 2015

On Friday 5th June students at Pinnaroo Primary School acknowledged Reconciliation Week by singing the National Anthem in the Luritja language (a traditional Indigenous language from the middle of Australia). In our library classes with Ms Hamidi we explored the meaning of 'Reconciliation' and Sorry Day. Some classes watched a 'Behind the News' (ABC Splash) news article about the Stolen Generation. We discussed the importance of learning from the past and why analysing historical events is an important tool in making a better future for all Australians.

Examples of whole class 'Wordles', showing words that pop into our minds when reflecting on Reconciliation Week.

Scholastic Book Fair

Hopefully you have seen the wonderful range of children's books we have at the moment for sale as part of our Scholastic Book Fair. Library staff and Board Members had a lovely time at the Hub on Wednesday, taking the opportunity to talk to the community about what services the Library has to offer. We will again be down at the Hub next Wednesday 23rd June during school hours. The Book Fair will be on display at the Library (except for Wednesday when we are at the Hub) all other times including our grand finale display, meet and greet on PPS Open Day, Friday June 26th. We hope to see you there!
