Principal's Report

The Term has started off hot and busy with lots of learning and extra curricular activities occurring.

At the Acquaintance night I talked about the power of 'Yet' (not being able to do things - 'Yet') and encouraging our students to struggle through things, letting them explore and learn for themselves instead of us as adults over helping or rescuing. We all must be willing to have that thought process, knowing that we are all continually learning, learning from our mistakes and improving ourselves. The efforts we are putting in may not get immediate reward, but if we maintain our effort improvement will come. It has been great that I have seen most students take on these ideas so far this term.

Swimming Carnival

Our annual swimming carnival was held at the town pool last Thursday 18th February. The weather was perfect for the day!!

All students participated very well, with great family and community support.

Special congratulations must go to Tristan Pearson who broke four records on the day!

More results on page 5.

A huge thank you must go to all parents and carers who assisted. In particular I would like to thank the swimming pool committee for providing a BBQ and drinks, and parents who volunteered to be class helpers, timers and in packing up after the event. Special thanks to Deb Colwill and Sam Wurfel for their fantastic job with swimming lessons and life guard duties on the day.

I must make mention of the staff, student and parent relay, which was once again comfortably won by the

students of Venning (staff coming in a comfortable second)! This goes to show the quality of swimmers they have in their team, leading to them winning eight carnivals in a row!! Well Done!

If you have any feedback on what we can improve around the swimming sports day please give us a call at school or send in a note. We are always looking for things we can do better.

SAPSASA News
Softball

Five of our Yr 6/7 girls are trying out for the Murray Mallee team at Lameroo today to compete in the SAPSASA Carnival in Adelaide in March. We wish them all the best.

Swimming

On Monday the 7th March selected students will travel to Murray Bridge in an attempt to make the Murray and Mallee SAPSASA swimming team. Good Luck to those students. Those students who qualify will then compete in Adelaide later in the term.

School Crossing

A reminder for all parents and students that when they are crossing Bunday Tce, they must use the pedestrian crossing, both in the morning and afternoon.

I have been made aware of a couple of near incidents in the first few weeks of school. Students on bicycles are reminded that they are to get off their bikes and walk them across and also walk them inside the school yard. Bunday Tce is a very busy place before and after school and I'm sure we would all like to see users of the area kept safe.

Student Leadership

Every one of us has the opportunity at different times in our lives to be a leader. More often than not these are roles that go unrecognised or occur in situations where we might not even see ourselves as having been a leader.

Building Blocks

Leadership Mindset

Leadership Behaviours

On Friday of last week the whole 6/7 class were challenged with what leadership is and how they all have certain skills and characteristics of leaders, and how they can continue to improve and develop these skills further. The skills around Responsibility and Organisation are critical in the development of our students in everyday life for future success. In the year 6/7 class we discussed how forgetting something was often an excuse for not being organised! This is a great lesson for all of us, including me! Please partner with us as your child/rens mentors to help develop these skills in our

PPS Swimming Carnival Highlights

On Thursday 18th of February the Pinnaroo Primary School held their annual Swimming Carnival at the Pinnaroo Swimming Pool. WE were blessed with fantastic weather for the day, with students, teachers and parents keen to get in the water.

The day proved to be very successful with some great fun had in all events as well as 4 records broken, well smashed by Tristan Pearson.

At the conclusion of the novelty events house teams Hensley and Venning were neck and neck, with only 4 points the margin. Following the championship events with some standout performances by Venning swimmers, the margin was stretched by Venning who won 417 points to Hensley's 351. This marks 8 in a row for Venning.

Department and School Parent Complaint Policy

Parent guide to raising a concern or complaint

We all expect quality and expert care and teaching for your child in order that they achieve their potential. Working together will give us the best chance of solving a problem that may arise during your child's years in preschool and school.

We also recognise that at times things may go wrong. If you have a concern or a complaint, we want you to let us know. It's important to learn from mistakes or misunderstandings so that we can improve your child's experience and learning, and also improve processes where possible.

The first step in working through a complaint is to talk to your child's teacher, and then the director or principal if you still are not happy.

Ask at the front office for a copy of the school/preschool's *Parent Guide to Raising a Concern or Complaint* brochure. Steps guiding how complaints should be made are explained in the brochure.

Use this guide to help you think through what you are concerned about and how to resolve the matter respectfully and effectively.

About complaints or concerns

This information may be helpful in explaining what a complaint is:

A complaint may be made by a parent if they think that the school has, for example:

- done something wrong
- failed to do something it should have done
- acted unfairly or impolitely.

Your concern or complaint may be about:

- the type, level or quality of services
- the behaviour and decisions of staff
- a policy, procedure or practice.

Sometimes a complaint is about something we have to do because of State or federal law. In such cases we are able to talk to you about the matter and help you understand the requirements and why they exist.

If you'd like more information give me a call Sunyl Vogt or visit the department's website at

www.decd.sa.gov.au/parentcomplaint or email DECD.parentcomplaint@sa.gov.au.

There is also a Freecall number 1800 677 435.

Literacy Shield

Inaugurated in 2011 the Literacy Shield is used to encourage and support the students reading program and reward participants for improving their reading outcomes and reading on a regular basis.

1. Each week, each student will have the chance to earn 1 point for their House Team (Hensley or Venning) as well as individually.
 2. Points will be given if they meet the reading requirements of the class teacher. These will be as follows:
 - Reception / Year 1 - Read 4 Nights for the week (e.g. Monday – Monday)
 - Year 2/3 - Read 4 out of 5 Nights for the week (e.g. Monday – Thursday)
 - Year 3/4 – Read 40 Minutes/ week (Monday – Thursday)
 - Year 5/6/7 – Read 60 Minutes/ week (Monday – Thursday)
- PLEASE NOTE: Allowance is made for students with an explained absence. E.g. If the school **has been advised of a child's absence, then their reading requirement for that day is considered met.** This will ensure that students with a perfect reading record, who have been absent at some stage, will not be disadvantaged.
3. Reading Diaries will need to be signed by a parent or caregiver to verify the student has met the reading requirements each night or for the week.
 4. Every Friday Reading Diaries will be checked by the class teacher and points recorded.
 5. At the end of each term
 - A running tally of points for Hensley and Venning will be given to encourage improvement and competition.
 - Students who have a perfect term and been awarded a point for every week of the term will be awarded a voucher (valid for 12 months) to purchase books (e.g. in a 10 week term, they earn 10 points).
 - If a child has been absent or ill, concession will be given to them in accumulating points for themselves and their house.
 6. At the end of the year the House with the most points will be awarded the 'Literacy Shield.

Governing Council

PINNAROO PRIMARY SCHOOL GOVERNING COUNCIL SUBCOMMITTEES RULES AND REGULATIONS

There will be a notice in the newsletter after the Annual General Meeting asking for participation on the Governing Council Subcommittees

Subcommittees: Finance
Grounds
Bus
Curriculum
Asset Management
Fundraising

Each subcommittee will have a roll statement

There must be at least one Governing Councillor on each Subcommittee. One of these is to be Convenor of the committee. The role of the Convenor is to call meetings, ensure the agenda is prepared, be responsible for the general running of the meeting and report back to Governing Council.

Meeting Procedure:

- Agenda prepared – essential for an effective meeting
- Opening and apologies
- Confirmation of previous meeting Minutes
- Business arising from Minutes
- Correspondence
- General Business

Minutes are to be kept of Subcommittee meetings

- Name of Committee
- Time & Place of meeting.

Resolutions for recommendations that were made. It is preferred that the mover and seconder of a resolution not be reordered, all that is required is the statement that “it was resolved”.

Reports from the Minutes should be written and, if possible circulated prior to Council meetings.

The Minister of Education and Children's Services indemnifies Governing Council Subcommittees against personal injury and property damage claims arising from the conduct of their affairs provided the activity is not excluded from cover. However, in this instance, the Principal must approve the activity of the subcommittee, in advance. Affiliated committees must not engage in activities which are excluded under the Governing Council's indemnity (Section 5-24).

SUBCOMMITTEES

Governing council is a decision making organisation – if a decision can not be made at a particular meeting because of lack of information or further consideration is required, refer it to another committee – either a standing Sub committee or a special committee convened for that purpose ie an “ad hoc” Committee.

For the Governing Council to operate effectively and provide for maximum participation for all.

Because of the volume of decision making being undertaken by Governing Council, it is no longer feasible for all matters to be fully discussed by all the Council. The use of subcommittees has become an essential development of an effective Governing Council. This means that the Governing council must develop the art of delegation and the mutual trust and respect in other Council members to develop recommendations for discussion at Council, in which they have not been involved.

Subcommittees would research and develop recommendations for decision by council. They do not have the authority to act on their own behalf unless the power has been given prior by the Council some Councils insist that all new business, including correspondence, should first be referred to the relevant subcommittees before being referred to Council. Some urgent matters may need to be exempted from the procedure.
